Weekly Devotion!

For what is your life? It is even a vapour, that appeareth for a little time, and then vanisheth away.

—James 4:14

Nothing takes God by surprise. Everything is moving according to a plan, and God wants you in that plan. The devil also has a plan for the world. God has a plan and the devil has a plan, and you will have to decide which plan you are going to fit into. Scripture says that God allows us 70 years and some beyond. The first 15 are spent in childhood and early adolescence. Twenty years are spent in bed, and in the last five, physical limitations start to curtail our activities. That gives us about 30 years in which to live as adults. We take time out for eating, and for figuring our taxes, and we are down to perhaps 15 years. Now suppose we spend seven of those years watching television. That cuts us down to seven or eight years. Our time is short! The time we can invest for God, in creative things, in reaching our fellowmen for Christ, is short! Make it a priority to serve and to reaching the outside world for Christ.
