

## Who Are We?

We at Strong Tower Church are a body of believers serving one God in three parts, the Father, the Son, and the Holy Spirit, in one purpose, to know Him and make Him known.

We exist to be living proof of a loving God to a watching world.

We are a church for the hurting, the lost, the rejected, for you and me!

We believe that small things done in love can change the world.

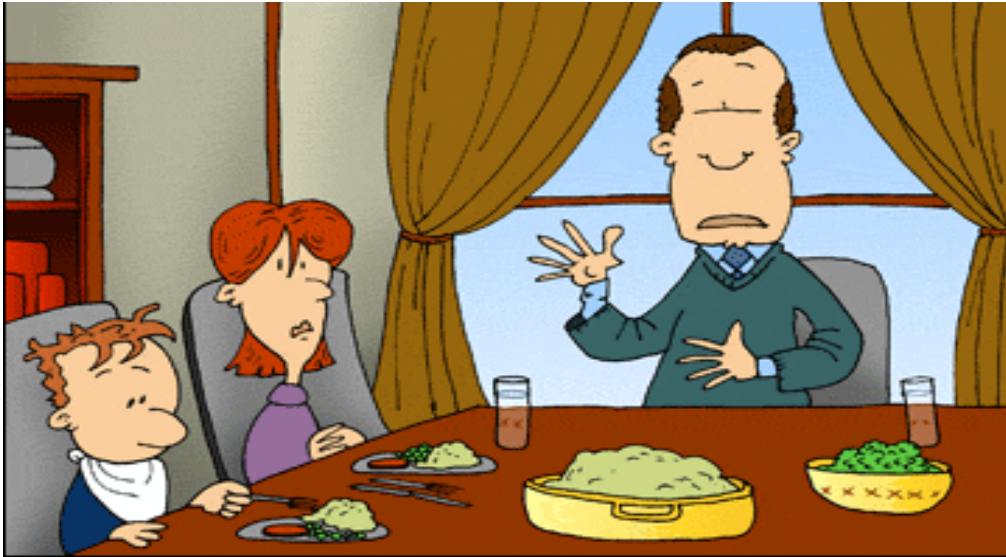

## ST Vision

Strong Tower Church exists so that people far from God come and find Christ through worship and the word.

## ST Mission

We will NOT be a church that will be changed by the world, but we are a church that will change the world.

We will saturate the Upper Peninsula with the Gospel of Jesus Christ!
